YOUR

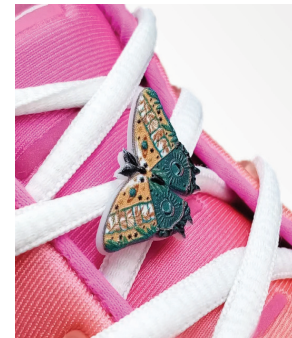

FASHION

Design amazing collections with unique jewelry accessories that take fashion to a new level. We offer you completely new solutions, unique forms, precise details and production techniques, creating extraordinary works of fashion art.

AT DECARD

You shape your dream creation. Innovative 3D technology allows us to create unique elements in vibrant colours and inspiring forms.

Create your look without any limitations.

Express Yourself

Precision of
MICRODETAILS

Buttons are characterised by precise details, vivid colours, original shapes and microscopic patterns and textures. With them, you can create unique visions of your style.

Your idea

Your ideas, your concepts
 - all of these inspire us to act.

Identification

Your signature
Your creation

Your IDENTITY

| LOGO

Perfect rendering of the details of your logo.

| SIGNATURE

Your name, your collection in every form.

Unique zips, buckles, caps, loops and seals - give your clothes a character in line with your vision.

elegance

DECORATIVE

ACCESSORIES

Tags, patches and exclusive 3D labels in every shape, vivid colours, matt and gloss, perfectly imitating any material, uniquely embossed and convex, will emphasise the individual nature of your creation.

Fashion JEWELRY

| 3D EFFECT

Every texture and touch are pieces of you. Together we create unique stories, bringing your 3D designs to life.

Your dreams inspire us. We create fashion accessories that reflect your vision.
Present your idea or inspiration to us and we will provide you with numerous personalisation options so you can express your style through unique touches.
